Let us get the youth back in the Cypress we have lost a generation of Gladesman due to
the BICY ORV plan which does not follow Florida's guidelines on youth participation.
This rule is a violation of one of the most important parts of our cultures traditonal uses
education our children. This ORV plan as a whole is an opressive mangement plan but
fortuanatly it is supposed to be an adaptive managemnt plan and this small change to
allowing supervised youngsters to participate should not be a problem.

I AM ASKING THAT THE STAIRSIEPS SECONDARY TRAILS OR MORE TRAILS BE ADDED TO THE STAIR STEPS UNIT. I TRY TO POLE BOAT AROUND BUT EVEN IN THE HIGH WATER I FIND MYSELF STRUGGLING TO GET TO WHERE I WANT TO GO. I THINK THE ADDITION OF MORE TRAILS WOULD BE BENEFICIAL TO ALL WHO STILL USE THE PRESERVE AND ALSO THOSE WHO WANT TO START USING IT. Please consider opening up the park south of U.S. 41 for airboating. I beleive only zone 4 is open for airboating currently. I grew up riding the stairsteps unit and would love to see that country opened back up for airboats.----- Forwarded by Damon Doumlele/BICY/NPS on 11/14/2008 07:41 AM -----
